 Smallest mm

Your options

Hinge side (from outside) Left Right

Opening Inward Outward

Threshold Standard Low / level

Glass / panel style _____

Frame colour / finish _____

Measuring responsibility

Measurements are your responsibility. SmartaView is supply only and does not measure, survey or install. Products are made to the sizes you supply, so we cannot accept responsibility for items that do not fit because the measurements supplied were incorrect. If you are unsure, use a suitably qualified professional. This does not affect your statutory rights.
